- Review construction documents for conformance with project and factory standards.
- Coordinate with Guerdon team at all project phases and disciplines.
- Generate BIM framing models for floor/ceiling and/or walls.
- Coordinate with other drafting disciplines for model clash detection.
- Generate fabrication drawings for in-house factory construction.
- Monitor progress of manufacturing in conformance with fabrication drawings and collaborate with manufacturing on all inquiries.
- Complete all additional tasks assigned by management.

Minimum Requirements:

- Associates degree/diploma in drafting preferred or 5+ related work experience.
- Familiarity with basic elements of building/construction practices, wood framing a plus two + years of experience of BIM modeling software, Revit a plus
- Maturity, confidence, and ability to earn respect and trust from the team.
- Strong interpersonal skills with a high degree of professionalism.

Benefits:

- Full-time
- No Travel Required
- Paid Vacation and Holidays
- Medical, Dental and Vision Benefits

- Life Insurance
- Long-Term and Short-Term Disability
- 401(k) plan
- Supplemental Accident Insurance

Physical Requirements:

- While performing the duties of this job, the employee is regularly required to stand, sit, talk, hear, see, and use hands and fingers to operate a computer and reach, stoop kneel.
- Light to moderately lifting is required.
- Moderate noise (i.e., business offices with computers, phone, and printers, light traffic).
- Ability to work in shared space.

Other:

Applicants must be currently authorized to work in the United States on a full-time basis and must be able to pass a pre-employment drug screen and background check. This is not a remote work opportunity.
